Allowable Subject Matter

1. Claims 1-20 are allowed.
2. The following is an examiner's statement of reasons for allowance: The present invention is directed to an anti-theft system for a vehicle wheel such as shopping carts. Each independent claim identifies the uniquely distinct features "at least one inhibitor, a rotatable structure, and a receiver disposed within the vehicle wheel to receive a first predetermined signal and second predetermined signal to activate the rotatable structure to move the at least one inhibitor between the engaged position and the disengaged position".

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
